

For the Night has been long
and the Shadows still dance
with an increase in vigour
as your Soul proclaims its presence
in the Eternal Everafter

You now establish yourself in the Ring Of Fire
its pathway burns as the Polar Caps melt
Freedom is the Call
the Sound that reverberates from the Soul to the Ego
embrace your Ego's service with appreciation
and be eternally grateful
for you now do unto your Ego as I do to the Poles

Liberation and Fortitude
your Sovereignty celebrates its new found Song
for I am the Pathway,
the Doorway and the Light

Soon you will despair no more
for you may say
I AM and I am Home
for we are truly ONE
from Our Divine Father
